CAP Recovery Act		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
10.568	3/13/2009 0:00	109750
AWARD_DESCRIPTION		
<p>The Delaware Government Support Services received funds through the American Recovery and Reinvestment Act of 2009 (ARRA) to pay costs associated with the distribution of USDA foods donated for use in The Emergency Food Assistance Program (TEFAP). Such costs include (but are not limited to) storage, transportation, handling, processing, and distribution of such foods; as well as costs associated with determining and verifying beneficiary eligibility, record keeping, auditing, and other administrative procedures required for program participation. To date, the Delaware Government Support Services has:</p> <p>1. Disbursed funds that are provided to organizations - such as food banks, food pantries, and soup kitchens - that administer the program at the local level;</p> <p>2. Purchased warehouse supplies, floor scrubber, electric powerworker, and liftgate for trailer;</p> <p>3. Repaired and/or maintained a fork lift.</p>		
PROJECT_DESCRIPTION		
<p>During the current reporting period, Delaware Government Support Services used TEFAP administrative funds provided through ARRA to transport, handle, and process TEFAP foods in preparation for ultimate distribution to program participants, which include persons living in households with incomes below the poverty level and the unemployed. 60% of the FY2009 funds were used to administer the program at the State-level, while the remaining 40% of the FY2009 funds were distributed to support local organizations, such as food banks, food pantries, and soup kitchens. The FY2010 portion of the award will be used in the same manner, with 60% used to administer the program at the State-level and 40% being distributed to support local eligible recipient agencies.</p>

State Assistance on Electricity Policies		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
81.122	10/29/2009 0:00	772254
AWARD_DESCRIPTION		
<p>This program will create capacity on Staff to engage in electricity system modernization in the long-term and allow for regulatory support in the transformation of the electric grid, in coordination with other agencies in Delaware and other states in our region. It will facilitate timely consideration by the PSC of dockets, notices of inquiry, integrated resource plans, and other regulatory actions pertaining to the listed electricity-related topical areas. It will create two (2) new full-time jobs for limited term of service for one administrative electricity specialist and one entry level electricity specialist. Two full-time or a combination of full- and part-time advanced electricity specialists will be retained on a contractual basis for terms of one to three years. Staff has found in the past that the labor pool with the necessary specialized knowledge and education for these advance positions is very limited in Delaware. Six PSC Staff and the two new electricity specialists will receive training in key emerging areas that will give regulators the information needed for effective regulatory decision-making and streamline regulatory approval in modernizing and ensuring a reliable and affordable electric system. Additional equipment such as computers, scanner, and copier will be purchased that will allow the inflow and outflow of the documents associated with the ARRA-related dockets to be handled expeditiously.</p>

DE Hazardous Fuels Reduction		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
10.688	7/6/2009 0:00	449000
AWARD_DESCRIPTION		
The project will provide funding for three, 4-member crews (12 crew members total) to conduct hazardous fuel reduction and ecosystem improvement projects on State Forests and State Park lands. Additionally, funds will be used to develop fire management plans for all State Parks and to fund wildfire mitigation projects in up to five (5) communities to reduce the danger of wildland fires (control of the giant reed grass, phragmites).		
PROJECT_DESCRIPTION		
Three hazardous fuels reduction projects were completed in 2009: Bowers Beach (20 acres), Pickering Beach (20 acres), and Blackwater Village, Dagsboro (10 acres). To date, crews have completed 27.5 acres of ecosystem (timber stand) improvement projects.		
NUMBER_OF_JOBS		
14		
DESCRIPTION_OF_JOBS_CREATED		
Twelve (12) crew member jobs created; one (1) consultant hired to write fire management plans for State Parks; one (1) consultant hired to conduct hazardous fuels reduction projects in three at-risk communities.

Aquaculture Producers Grant (ARRA)		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
10.086	6/18/2009 0:00	17939
AWARD_DESCRIPTION		
<p>The Delaware Department of Agriculture was awarded this grant to assist our aquaculture producers with the high cost of feed in 2008. Delaware submitted the required workplan which was approved in August 2009. The open application process for Delaware aquaculture producers to apply for funds closed on September 4, 2009. We received one application. That application is currently under review. We are required to seek input from USDA/FSA on applicants to ensure compliance with cost share limits imposed on producers. Upon receipt of that FSA feedback, we will complete the producer application process. We have worked with the states of Georgia and North Carolina to coordinate payments to the one qualified applicant, Southern States Cooperative, who maintains operations in all three states. During the second quarter, Delaware received communication from USDA the second week in December stating that due to an inability to meet financial eligibility requirements, Southern States is not an eligible ARRA Aquaculture Grant recipient. In January 2010, Delaware will return ARRA - Aquaculture Grant funds to USDA.</p>		
PROJECT_DESCRIPTION		
<p>First Quarter: The purpose of this grant is to support the aquaculture sector of the agricultural economy by assisting aquaculture producers to meet feed expenses. This activity further supports the overall feed sector by ensuring payment of invoices for their products. We expect to make payment to the one currently preliminarily qualified producer some time at the end of September to beginning of October 2009. Second Quarter: Delaware with the help of USDA determined that it had no eligible grant fund recipients. All funds will be returned to USDA in January 2010.</p>

CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
66.805	7/31/2009 0:00	1232000
AWARD_DESCRIPTION		
This award provides an additional financial assistance source for the recipient's efforts to assess and cleanup petroleum releases from leaking underground storage tank (LUST) sites in Delaware. The cooperative agreement will fund several activities, such as: shovel-ready projects (sites ready for assessment and cleanup) that are typically orphan or abandoned sites, where the owners/operators of the sites are unknown or unable to pay for the required work. The overall purpose is to clean up contaminated LUST sites effectively, maximize job creation/retention, and provide economic and environmental benefits to the citizens of Delaware.		
PROJECT_DESCRIPTION		
Activities this quarter: currently contracting for the work. Site Assessments Initiated (direct/indirect) - 0/0; Site Assessments Completed (direct/indirect) - 0/0; Cleanups Initiated (direct/indirect) - 0/0; Cleanups Completed (direct/indirect) - 0/0. Project description: investigation and remediation activities at multiple eligible state-lead leaking underground storage tank sites. These activities include investigation work plan development, soil and groundwater sampling, investigation reporting, quarterly groundwater sampling and reporting, remediation feasibility testing, remediation design and work plan submission, remediation system installation, remediation system operation and maintenance and in select instances underground storage tank removal.

Energy House Construction Project		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
11.307	9/22/2009 0:00	800000
AWARD_DESCRIPTION		
<p>The \$800,000 EDA grant will help build Energy House on Delaware Technical & Community College's Owens Campus in Georgetown, DE. Energy House will be a learning center for alternative technologies, focusing on renewable energy products for homes and workplaces. The 3,000-sq-ft house will feature a living green roof over the garage, solar systems, wind turbine, radiant floor heating, geothermal options, and efficiency in construction and appliance usage. The facility will house three first floor classrooms and a second floor green technologies laboratory, allowing students and the public to see and touch renewable energy in action. As a demonstration facility, Energy House will collect and provide data on costs and benefits of various forms of energy generation so students and the public can evaluate options and make decisions. The House will have see-through, glass-wall galleries showing the technologies in operation, which will allow demonstration of installation, operation and maintenance best practices. Through credit and non-credit programs, the facility will train workers in new green jobs like energy auditing and energy management and will contribute to the region's economic growth.</p>		
PROJECT_DESCRIPTION		
<p>The financial assistance award papers were fully executed October 28, 2009, returned to EDA and received there on November 3, 2009. College and campus staff issued the RFP for Engineering Services (Milestone 1), opened and evaluated the bids, and were negotiating Award of Engineering Contract (Milestone 2) as the quarter ended. In addition, staff informally discussed a publicity plan for the project.</p>

AWARD_DESCRIPTION		
Assist states in the implementation of a statewide, comprehensive, coordinated, multidisciplinary interagency system of early intervention services for infants and toddlers with disabilities and their families.		
PROJECT_DESCRIPTION		
Assist States in the implementation of a statewide, comprehensive, coordinated, multidisciplinary, interagency sytem of early intervention services for infants and toddlers with disabilities and their families. The project activities for the last quarter have provided high quality developmental assessments and early intervention services, thereby preventing delays in services to infants and toddlers with disabilities. Activities to support family leadership, inclusive family and child play groups, training, and a family outcome survey has been completed. A service coordinator position has been funded to coordinate care for eligible infants and toddlers thereby reducing overall caseloads and improving more rapid attention to family needs, and interperter services have been increased. Maximize state and federal funds for direct services by increasing monitoring through the billing coordinator.		
NUMBER_OF_JOBS		4.41
DESCRIPTION_OF_JOBS_CREATED		
Created 3.41 FTE to reduce delays in developmental assessments; increase interpreter services; provide early childhood special education services; offer family leadership training and family outcome evaluation; and support inclusive play group opportunities. 1 FTE retained for service coordination for infants, toddlers and their families.

2009 Recovery Act STOP Violence Against Women Formula Grant		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
16.588	5/15/2009 0:00	903933
AWARD_DESCRIPTION		
This award provides the opportunity for recipients to develop and strengthen effective responses to violence against women. These funds will assist by preserving and creating jobs and promoting economic recovery. In addition to the Sub-Awards listed on the Sub Recipient tab, the following funds have been sub-awarded to other State of Delaware agencies; 1. Delaware Attorney General's Office \$301,311and 2. Delaware Court of Common Pleas \$41,459.		
PROJECT_DESCRIPTION		
Overall purpose of funds is to retain and create new positions to strengthen the State's response to acts of violence against women. Two advocates will provide advocacy and support services to victims of domestic violence; One attorney will provide free legal services to victims of domestic violence; one child therapist will provide family and therapeutic services to children who witness in domestic violence, residing in an emergency shelter; one advocate will provide therapeutic services to victims of sexual assault; the Delaware Court of Common Pleas will create 3 part-time positions to identify and expedite domestic violence cases in CCP, and enhance the court's response to victims of domestic violence and the justice system; the Delaware Department of Justice hired a prosecutor to strengthen the prosecution's response to violent crimes against women.		
NUMBER_OF_JOBS		
6.07		
DESCRIPTION_OF_JOBS_CREATED		
Funds have been utilized to retain two domestic violence victim service advocates,; one sexual assault therapist, 1.5 attorney is providing legal services to victims of domestic violence and one child therapist to work with families that witness DV. These positions would otherwise have been eliminated if not for the Recovery Act. Two part-time DV Case Expeditors were hired by the Court of Common Pleas; one Deputy Attorney General to prosecute crimes of sexual assault was hired for Kent County; and the New Castle County Police Department hired one VAWA Victim Service Agent in the Victims Unit.

Revocery Act OVC FY09 Voca Victim Assistance Formula Grant		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
16.801	4/24/2009 0:00	558000
AWARD_DESCRIPTION		
The purpose of the Victim Assistance Recovery Act grant is to provide direct services to crime victims, maintaining the current level of statewide crime victim services. Three agencies operating four programs will be able to maintain their current level of victim services. These programs will operate statewide to provide an array of services to victims of domestic violence, child abuse, sexual assault and victims of other violent crimes, previously underserved populations including victims in rural areas, non-English speaking, and Hispanic crime victims.\n\n		
PROJECT_DESCRIPTION		
Provide an array of direct services to child abuse, sexual assault, other violent crime victim previously underserved, and domestic violence victims. Services shall include: case management; forensic interviews; emergency domestic violence shelter; therapy; crisis counseling; follow up services; group treatment/support; personal advocacy; assistance with filing for compensation; legal advocacy; information and referrals; telephone contact; and transportation.		
NUMBER_OF_JOBS		
13.57		
DESCRIPTION_OF_JOBS_CREATED		
Eighteen positions, (nine (9) full-time and nine (9) part-time) that were slated to be eliminated or reduced in service hours due to reduction in State funding were maintained. The positions equated to 13.57 FTE. These positions comprised of eleven (11) community/social/victim service and nine (9) administrative/human resources positions. Positions retained at the Children's Advocacy Center include: Two full time Case Review Specialists will provide case management and multidisciplinary team case review sessions for child abuse and sexual assault victims. Three full time Administrative Assistances will process referrals, conduct intake interviews, provide reception services including child care, provide monthly statistical data, scheduling services and provide administrative support for other direct service providers. Two part time Pediatric Nurse Practitioners will perform medical exams/evaluations, attend forensic evaluations, and provide medical advice, monthly statistical reports and expert court testimonies. Retained positions at two domestic violence shelters include: Four Residential Counselors (two full time and two part time) will provide direct service and supervision to shelter residents. One part time Shelter Manager will oversee daily operations, supervise shelter staff, provide case management and advocacy services to shelter residents. A part time Case Manager will assist underserved victims with accessing community resources. A part time Director of Domestic

FY2009 ARRA Byrne Justice Assistance Grant		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
16.803	4/29/2009 0:00	6617020
AWARD_DESCRIPTION		
<p>The Byrne Justice Assistance Grant program is the primary provider of Criminal Justice funding to State and local agencies including Law Enforcement, Courts, Prosecution, Defense, Corrections and many other purpose areas. In addition to these areas, Delaware is also funding programs in the area of Juvenile Prevention and Prisoner Re-entry. Once fully implemented, these programs will fund approximately 45 positions throughout the state. Expected outcomes will be the statewide implementation of a Mental Health Court, the creation of a special probation unit based on the principle pillars of re-entry, reduced recidivism due to re-entry programs, and a reduction of juvenile delinquency. In addition to the Sub-Awards listed on the Sub Recipient tab, the following funds have been sub-awarded to other State of Delaware agencies; Delaware Justice of the Peace Court \$330,800, Delaware State Police \$1,086,197, Delaware Dept of Corrections \$1,109,000, Delaware Office of Public Defender \$546,000, Delaware Dept of Justice \$511,400, Superior Court of Delaware \$347,800, Family Court of Delaware \$367,175, DELJIS \$125,000, Administrative office of the Courts \$54,600 and Delaware Court of Common Pleas \$209,200.</p>		
PROJECT_DESCRIPTION		
<p>The FY 2009 ARRA Byrne Justice Assistance Grant will provide for the retention of Full time Employees to work in the Courts, the Department of Justice and the Public Defenders Office for a Statewide Mental Health Court. This diversion court will process mentally ill offenders outside the normal court process. Also these funds will pay for full time employees of the Delaware State Police for crime analysis and Forensic Chemists to better analyze crime data. The Department of Corrections will receive funds from the grant to hire 10 additional probation officers to create a re-entry probation unit. This specialized unit will reduce the recidivism rate in inmates returning to the community. Also several projects in the area of Juvenile Prevention and Inmate re-entry are being awarded to non-profit agencies to provide direct services to clients. Smaller equipment grants have also been awarded to</p>		
NUMBER_OF_JOBS		43
DESCRIPTION_OF_JOBS_CREATED		
<p>To date 43 jobs have been created or retained with the FY 2009 ARRA Byrne Justice Assistance Grant. There are 33 Full-time jobs and 10 part-time or casual seasonal positions. These jobs are broken down as follows: four (4) civilian members of the DE State Police, eight (8) probation and parole officers for the Department of Corrections, two (2) full time employees for the Public Defender, four (4) for the DE Department of Justice, one (1) contractual position for the Superior Court, five (5) full time employees for the Family Court, one (1) contract person for DELJIS, one casual seasonal position for the AOC, three (3) contractual positions for the Court of Common Pleas, and two (2) full time employees for the JP Court. There are also thirteen (13) service provider jobs that have been created in non-profit agencies throughout the state in the areas of juvenile justice and re-entry. These positions will be funded for 24 months. \n</p>

ARRA-317 IMMUNIZATION AND VACCINES FOR CHILDREN GRANTS		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
93.712	9/15/2009 0:00	385444
AWARD_DESCRIPTION		
The purpose of this stimulus funding is to increase the number of children and adults vaccinated against vaccine-preventable diseases in Delaware, and to improve the functionality of the Delaware immunization registry. CDC has allocated a total of \$826,569 to Delaware to support this project. Of the total, CDC will send \$432,125 directly to drug manufacturers for the purchase vaccines. DPH expects to expend the vaccine funds on the purchase of various vaccines for uninsured and under-insured adults and to purchase flu vaccine for use during seasonal influenza activities in the 2009 and 2010 flu seasons. The remainder of the funds, \$385,444, will be used to improve the immunization registry. The registry exists to enhance efforts to prevent and control the transmission of vaccine preventable diseases through the collection and maintenance of accurate, complete and accessible vaccination records and sharing this with health care providers, families, and schools.		
PROJECT_DESCRIPTION		
For network servers and programs required to upgrade vaccine registry.

ARRA State Loan Repayment Program		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
93.402	9/16/2009 0:00	100000
AWARD_DESCRIPTION		
<p>The purpose of the ARRA 2009 State Loan Repayment Program (SLRP) funding opportunity is to support Delaware's well established program to achieve an appropriate number and geographic distribution of health professionals in Delaware, with a particular focus on areas of the state federally designated as underserved. The SLRP offers licensed health professionals an opportunity to receive awards for repayment of educational loans in exchange for their committment to serving the uninsured, underinsured, Medicaid, and Medicare populations in DE. The SLRP helps to address health professional workforce shortages that may cause disparities in access to health care.</p>		
PROJECT_DESCRIPTION		
<p>SLRP applications are accepted by the Delaware Health Care Commission on a cotinuous basis and reviewed by the Loan Repayment Committee, at quarterly, regularly scheduled meetings. The review/recommendations are based on the objective review of data (public health indicators, the number and spatial distribution of providers practicing in DE, hospital needs assessments), the availability of funding, applicant clinician characteristics (location/urban-rural, racial/ethnic characterisitcs, languages spoken, education and work experience) practice sites (i.e. number/percentage of Medicaid/low-income uninsured served) and (where applicable) the outcome of face to face interviews between the selected applicant clinicians. Recommendations of the Committee regarding medical provider applications are forwarded to the Delaware Institute of Medical Education and</p>		
NUMBER_OF_JOBS		2
DESCRIPTION_OF_JOBS_CREATED		
<p>Under the SLRP program, authorized awards for repayment of outstanding government and commercial loans incurred during undergraduate and/or granduate education (i.e. principal, interest and related expenses for tuition and educaitonal costs) are provided to eligible health professionals who agree to practice in underserved areas of the state. Eligible applicants include advanced degree practitioners (i.e. primary care physicians, providers of geriatric services, general psychiatry, pediatric dentists, general practice dentists) and mid-level practitioners (i.e. primary care certified nurse practitioners, nurse mid-wives, physician assistants, psychiatric nurse specialists, lincensed clinical social workers, mental health counselors, registered clinical dental hygienists). Loan repayments make clinician salaries and benefits packages more attractive and competitive. Just as this can be helpful when recruiting providers, it can help a practice retain providers in their employment, who otherwise might be lured by higher salaries elsewhere.</p>

AWARD_DESCRIPTION		
<p>Improve access to primary health care services for underserved and vulnerable populations through recruitment/retention of healthcare professionals in Delaware. This funding will be utilized to develop a healthcare recruitment retention program which will include: 1) developing healthcare recruitment/retention informational materials to present/display at appropriate venues, and 2) offering a conference to educate both healthcare professionals and healthcare entities about the recruitment/retention programs available to them. The following provides an overview of the information that will be included in the informational materials: vacancies at Federally Qualified Health Centers, state agencies, and hospitals; and information on recruitment/retention initiatives such a Conrad State 30/J-1 Visa Waiver Program, the National Health Service Corps Program and the State Loan Repayment Program</p>		
PROJECT_DESCRIPTION		
<p>Delawareans will have access to qualified, culturally competent health care professionals in their communities. Twenty-four NHSC clinicians will be providing health care services to uninsured and underserved Delawareans. The number of minority students applying to matriculate in a medical field in an undergraduate institution will increase by 10% compared to 2008. Healthcare recruitment programs will understand the extent of health care vacancies for 100% of the safety net providers in the state. Seventy health care workers from community health centers/safety net providers and the public workforce will have a better understanding of the cultural competency issues that affect access to care for minority Delawareans. One hundred representatives from health care entities located in underserved areas of Delaware will understand recruitment/retention programs available. including</p>

WIC Miscellaneous Technology Grant - ARRA 2009 Funds		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
10.578	10/19/2009 0:00	5000000
AWARD_DESCRIPTION		
Under this award, Delaware WIC seeks to enhance the automation capabilities and reduce the risk of ongoing operation interruption by upgrading the WIC system to a Web based technology. This project provides funding for the program to issue a Request for Proposal (RFP) for a vendor to customize the Maryland WIC on the WEB System (WOW) to meet the specific Delaware WIC program requirements and state technology standards. The proposed system will either reside in Delaware on the Delaware infrastructure or be subsumed as part of the Maryland WIC system. The program has a contract in place to conduct a cost benefit analysis to determine the most beneficial and cost effective solution for the program. This contract analysis should be completed by the end of the 2nd Quarter. Based upon the results of the analysis, the program will submit the Implementation Advanced Planning Document for Food and Nutrition Services (FNS) approval. It is necessary to have this approval before the WIC program can move to the next step in the State Systems approval process.		
PROJECT_DESCRIPTION		
The award is to provide technical services for the modification, implementation of the Maryland WIC on the Web (WOW) information system for the State of Delaware WIC program. It is to be determined following the cost benefit analysis if the Delaware WOW will be subsumed as part of the Maryland system or if the Delaware WOW will reside in Delaware on the current Delaware infrastructure. During the 2nd quarter Delaware WIC is conducting a cost benefit analysis through a contracted vendor to determine the most cost effective option for WIC to pursue. Based upon the results of this evaluation, the program will submit the revised Implementation Advanced Planning Document (IAPD) for approval by Headquarters.

AWARD_DESCRIPTION		
The award is to determine the feasibility, cost benefit analysis and planning for the implementation of electronic benefits transfer (EBT) . This planning award will help the Delaware WIC program determine the business requirements for EBT, the retailer capabilities and analyze the State's network and abilities.		
PROJECT_DESCRIPTION		
The goals are to determine if EBT is operable under the current nutrition servies funding and is in alliance with Delaware's proposed data transfer system. The evaluation will chart a course for Delaware EBT and streamline the delivery of WIC benefits. The Request for Proposal (RFP) for a vendor to develop the Delaware EBT planning document is published with a due date of February 26, 2010.

ARRA Supplemental Funding for Child Care and Development Fund (CCDF); Description: Provide child care financial assistance to low-income working families and fund activities to improve the quality of child care.		
PROJECT_DESCRIPTION		
In September 2009, DSS distributed \$2,218,080.00 to child care contractors based on attendance during the first quarter of the 2009 calendar year. The amount was based on the number of children for whom the contractor was paid. In Ocotober and December of 2009, 11,936 parents of children in subsidized child care received ARRA payments totaling \$1,561,400.00 to assist with child care copays. The average check in October was \$155.00 and in December \$117.00.

AWARD_DESCRIPTION		
The State must provide 99% of funds to its sole CSBG eligible entity, First State Community Action Agency, which will carry out nine in-house expansions of existing programs, such as emergency assistance, credit counseling, after school and summer youth programs, an offender re-entry program, and adult culinary arts training. First State contracted two monitors to oversee 39 subcontracted projects with 34 non-profits that range from \$400,000 for a training and internship program to be carried out by Ministry of Caring to \$15,000 for an after school and summer program for middle school students to be carried out by Serviam Girls Academy. Logic models that include project budgets, services, outputs, and outcomes are required for each in-house and subcontracted project. Reports will be based on expectations detailed in those logic models. The State will use its 1% to help low-income people access benefits to which they may be entitled, which is inherent in the Division of State Service Center's mission. \n		
PROJECT_DESCRIPTION		
CSBG Recovery Act funds are being used for the reduction of poverty, the revitalization of low-income communities, and the empowerment of low-income families and individuals in rural and urban areas to become fully self-sufficient. First State Community Action Agency developed a wide range of innovative employment-related services and activities tailored to the specific needs of communities which meet the short term and long term economic and employment needs of individuals, families, and communities and which create and sustain economic growth and employment opportunities. Employing logic models, all 49 programs are developed and assessed in terms of inputs and service costs, services provided and outputs, with all outcomes expressed in numeric as well as narrative form.\nThis results in a metric which reveals number of people served. number of jobs created and

AWARD_DESCRIPTION		
This award funds the ARRA AmeriCorps STATE Parks Partners Competitive Funded program, as listed on the approved program funding summary chart. The purpose of this award is to assist the grantee in carrying out a national service program as authorized by the National and Community Service Act of 1990, as amended (42 U.S.C. 12501 et seq.) and in the American Recovery Act of 2009. AmeriCorps members will assist displaced workers through partnership with RSVP, Department of Labor, and the Delaware Economic Development Office to provide training in resume writing, interviewing techniques, and available job placement services.		
PROJECT_DESCRIPTION		
During the second quarter (October-December), four (4) half-time members (2 MSYs) remained in the program continuing their ARRA grant service. Two of these members provided service assisting with public environmental education and natural areas management, and two members provided service as project team leaders. Activities related to CNCS strategic initiatives included members have participated in training activities and various service projects. The members were active in leading community volunteers throughout the fall season, particularly with large group volunteer and special public events. In addition, team leader members provided valuable insight during debriefing regarding program policy, new grant initiatives, and program operations.

CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
14.885	3/18/2009 0:00	1027870
AWARD_DESCRIPTION		
Award is for Capital improvements and projects at ten (10) public housing apartment communities in Delaware owned and managed by the Delaware State Housing Authority, and funded through the U.S. Department of Housing and Urban Development. Capital projects include: removing and replacing shingles at the McLane Gardens and Peach Circle apartment communities; re=paving parking lots at Clark's Corner, Mifflin Meadows, Liberty Court I and Liberty Court II apartment communities; HVAC replacement at the Hickory Tree apartment community, Bathroom renovations at the McLane Gardens Annex apartment community; Replacing smoke detectors at the Burton Village apartment community; Removal and replacement of playground equipment, and storm water management workat the Liberty Court I and Liberty Court II apartment communities; and the Holly Square apartment community will have several porch pads replaced. The expected outcome of these projects is to address deferred maintenance at some of the apartment communities that have not been completed due to the lack of funding. Projects were selected that would have a significant impact on the community, and would be capital improvements that would last in excess of 15 years. Since every public housing development owned and managed by DSHA is receiving improvements or renovations through the Capital Fund Grant, it benefits a larger number of residents throughout Delaware.		
PROJECT_DESCRIPTION		
1) McLane Gardens/Peach Circle-Roofing shingles, soffit, fascia and guttering was removed and replaced with high grade long term warranty materials on six (6) apartment buildings and one (1) community building (100% completed) 2) Clarks Corner, Mifflin Meadows & Liberty Court-Parking lots prepared, re-paved and re-lined (66% Completed), 3)Laverty Lane-Window Replacements in all units (84% completed), 4) Liberty Court Playground equipment replacement (100% completed), 5) McLane Gardens Annex-Bathroom renovations (obligated but not started), 6) Hickory Tree-HVAC replacements (100% completed)

AWARD_DESCRIPTION		
<p>DSHA utilized a Request for Proposal (RFP) process to allocate the HPRP funds. Awards were given to five subgrantees for homeless prevention and rapid re-housing. An additional grant was given to the Homeless Planning Council (HPC) for data collection and reporting.</p>		
PROJECT_DESCRIPTION		
<p>Through a RFP process, DSHA awarded HPRP funds to five subgrantees for homeless prevention and rapid re-housing and one subgrantee for data collection and reporting. Of the \$934,980.00, \$611,039.00 is allocated for financial assistance, \$227,912.00 is allocated for housing relocation and stabilization services, \$17,129.00 is allocated for administration and \$50,850.00 is allocated for data collection and reporting. In addition, DSHA will retain \$28,050.00 for administration. The subgrantee programs began December 15, 2009, however no draws have been requested by the subgrantees for funds. Given there are no caps on financial assistance or time limits for assistance, other than those stipulated in the HPRP regulations, DSHA is unable to confidently project outcome measurements. However, DSHA is anticipating serving at least 800 households with the total HPRP funding.</p>

AWARD_DESCRIPTION		
FY 09 Recovery Act Internet Crimes Against Children Task Force Program Grants Program - The Delaware Department of Justice (DOJ) requests OJJDP Recovery Act ICAC funding to enhance the Delaware Internet Crimes Against Children Task Force's ability to pursue, investigate and prosecute the massive proliferation of technology-facilitated child exploitation and victimization in Delaware. Specifically, 48 months of funding is sought to provide the Task Force with much needed personnel, location, vehicle, communication and equipment expenses to augment its ability to seek out, arrest and convict predators in addition to bolstering the ongoing statewide Cyber Safety educational campaign.\n\nIn 2007, the Delaware DOJ created the Child Predator Unit (CPU). The CPU's exclusive mission is to investigate, prosecute and punish sexual predators who utilize technology to prey on children. In order to proactively target and bring to justice child predators, the CPU partnered with Delaware State Police's (DSP) High Technology Crimes Unit (HTCU) and the Delaware United States Attorney's Office establishing the Delaware Internet Crimes Against Children Task Force, currently known as the Child Predator Task Force (Task Force). The Task Force is a multi-agency, multi-jurisdictional, statewide entity responsible for coordinating online child exploitation investigations and prosecutions within Delaware. It is an ongoing goal of the Task Force to continue to work closely with other law		
PROJECT_DESCRIPTION		
The hiring process for the Paralegal Position is complete. Interviews of numerous candidates for the position were held during the weeks of October 19 and October 26, 2009. The interview panel of four Department of Justice employees (one from Human Resources, an investigator with the Child Predator Task Force, the Prosecutor for the Child Predator Task Force and the Kent County Prosecutor who oversees the unit) determined the best candidate for the position and an offer was extended on October 30, 2009. The individual accepted the position on October 30, 2009. Her start date will be January 4, 2010. She will be primarily tasked with assisting Task Force investigators. With regard to other funding provided through the grant, the Task Force continues to price a high quality shredder, a network printer, and is pursuing a lease of undercover wireless internet services. State Energy Program		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
81.041	7/20/2009 0:00	24231000
AWARD_DESCRIPTION		
Delaware proposes to use ARRA SEP funding, largely through the new Delaware Sustainable Energy Utility, in 4 program elements:\n- Home energy efficiency û \$12M is dedicated to this element(an additional \$3.6M of additional investment leveraged through federal 30% tax credit for energy efficiency). This total amount of \$15.6M will allow 6,500-15,000 households to participate in the first year (range depends on financing level) and generate \$8M in annual savings. The average resident will save \$700-\$1,000 annually. Residential energy efficiency is labor intensive and has relatively low equipment costs, resulting in greater job creation than some other investments. The direct investment will generate 258 new jobs, or 21.5 jobs per \$1M, while the leveraged federal tax credits will generate an additional 77 jobs (335 total).\n- Business, commercial and manufacturing energy efficiency - \$4.7M is dedicated to this element (an additional \$1.4M of investment leveraged from the 30% federal tax credit for energy efficiency). This \$6.1M program will allow 500-1,000 businesses to participate and generate \$3-4.5M in annual savings. We estimate the direct investment in this project should create approximately 80 jobs (an estimated 17 jobs per \$1M). The leveraged Federal Tax credits will generate an additional 24 jobs (104 total). This project aligns with the Governor and DEDOÆs effort to reduce small business operating expenses.\n- Statewide renewable energy funding û		
PROJECT_DESCRIPTION		
The DNREC Delaware Energy Office has been working with the Sustainable Energy Utility (SEU)'s Contract administrator, AEG (Applied Energy Group), to develop a plan for the best process for using this funding. To date, a Commercial/Industrial Lighting Rebate Program is currently been developed and soft launched on December 1, 2009. \$570,000 of ARRA SEP funding has been obligated so far to this program although no dollars have been disbursed. A comprehensive Residential Energy Efficiency program is currently under development by the SEU along with a Revolving Loan Fund Program dedicated to energy efficiency improvements and renewable energy installation. Both programs are expected to become operational during the next quarter with up to \$12 Million of ARRA SEP dollars dedicated to program operations. Numerous meetings and conference calls have occurred between DEO and AEG		
NUMBER_OF_JOBS		1.5
DESCRIPTION_OF_JOBS_CREATED		
ARRA provided vital funding (75 percent each) to support two existing positions that would have otherwise been jeopardized by recents budget cuts: the Energy Office Coordinator and an Energy Program Planner. By retaining these positions, ARRA has help ensured the continuity of existing energy efficiency programs and help transition to the full implementation of ARRA using the Delaware Sustainable Energy Utility.

Energy Efficiency and Conservation Block Grant		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
81.128	9/24/2009 0:00	9593500
AWARD_DESCRIPTION		
<p>DNRECÆs Energy Office was awarded \$9,593,500 for the EECBG (Award No. DE-EE0000775) on September 24, 2009. Of this total, approximately 40 percent is for State projects (\$3.640M) and approximately 60 percent (\$5.460M) will be allocated to smaller municipalities that did not receive direct funding from the Department of Energy. A small amount of remaining funding (approximately 5 percent) will be dedicated to administrative activities necessary to support the distribution of EECBG funds.</p> <p>DEO proposes that Delaware use the State portion of EECBG funds to help complement programs in the State Energy Program (SEP) ARRA funding proposal (Award No. DE-EE0000342) to focus primarily on energy efficiency because of the greater number of associated jobs and the higher return on investment. The SEP also involves some adoption of renewable energy systems. The primary application of this state portion of the EECBG funding will be used as seed capital for an in-house performance contracting account where the StateÆs Division of Facilities Management can draw on funds to make efficiency investments in state buildings and repay the in-house performance contracting account with savings from energy efficiency investments and adoption of renewable energy, thereby enabling a revolving account that can extend beyond the 3 year duration of EECBG. In this way, the one-time ARRA funding will help leverage longer-term investments in State facility upgrades</p>		
PROJECT_DESCRIPTION		
<p>The DNREC Delaware Energy Office (DEO) is working diligently to establish program parameters for the EECBG formula grant program and competitive grant program. DEO issued an RFP for consulting/contractual services to assist with the deveolpment and deployment of these programs. The EECBG grant award has numerous special conditons attached to the spending authority for these funds. We are compiling information to complete the NEPA template to expedite project approval and in an effort to remove some of the special conditions on the grant. DEO expects to award a contract to hire a consultant during the first quarter of 2010. DEO also anticiaptes having a webpage for our EECBG programs.</p>

State Energy Efficient Appliance Rebate Program		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
81.127	8/24/2009 0:00	838000
AWARD_DESCRIPTION		
<p>The State of Delaware intends to use the Stimulus funding in this award to help implement Section 124 of the Energy Policy Act of 2005 (EPAct) 2005) by reestablishing a rebate program, through the state's new Sustainable Energy Utility, for residential ENERGY STAR appliance products (those that represent improvements in efficiency compared to the majority of products in the market). The Delaware Energy Office will ensure that the Stimulus funds are not used to support less than 50% of the administrative costs to carry out the rebate program. Appliance Rebate Program Objectives are: - Save energy by encouraging appliance replacement through consumer rebates. - Make rebates available to consumers. - Enhance existing rebate programs by leveraging ENERGY STAR national partner relationships and local program infrastructure. - Keep administrative costs low while adhering to monitoring and evaluation requirements. - Promote state and national tracking and accountability. - Use existing ENERGY STAR consumer education and outreach materials.</p>		
PROJECT_DESCRIPTION		
<p>The DNREC Delaware Energy Office received approval for Delaware's SEEARP by USDOE on December 1, 2009 after being submitted to USDOE on October 12, 2009. The contract administrator, Applied Energy Group (AEG), for Delaware Sustainable Energy Utility (SEU) developed a Phase II Appliance Grant Program to our already existing Program that commenced on September 1, 2009. Phase II involved rebates for appliances such as dishwashers and gas hot water heaters that would utilize ARRA SEEARP funding. Phase II was launched on December 1, 2009 to coincide with DOE's award of the SEEARP grant. No actual rebate dollars were disbursed to AEG during this quarter for the program, although \$83,000 has been initially obligated.</p>

AWARD_DESCRIPTION		
Enhancing State Government Energy Assurance Capabilities and Planning for Smart Grid Resiliency Grant Amount = \$280,109 Delaware's Department of Natural Resources and Environmental Control Energy Office intends to use the Stimulus Funding, in collaboration with the Delaware Emergency Management Agency (DEMA) and the Public Service Commission (PSC) to improve emergency planning and to conduct necessary training. In the event of an energy emergency the State of Delaware needs to have a uniform plan to implement emergency procedures. The DEO working in concert with DEMA and the PSC will establish its policies, procedures and practices in the format of the National Incident Management Systems (NIMS) as recommended by DEMA. According to the NIMS and the Incident Command System (ICS) Position Paper "NIMS provides a consistent, flexible and adjustable national framework within which government and private entities at all levels can work together to manage domestic incidents, regardless of their cause, size, location or complexity." The establishment of a uniform plan will also enable Delaware SEERP to be consistent with other state and regional action plans. The DEO in cooperation with DEMA and the PSC will train staff to be prepared for emergency responses under this system. In January 2008, the Delaware Energy Office (DEO) adopted a revised State of Delaware Energy Emergency Response Plan (SEERP) as its operations manual		
PROJECT_DESCRIPTION		
The DNREC Delaware Energy Office has selected AMEC/Energy Planning Consultants as contractor to assist DEO with the development of a new Delaware Energy Assurance Plan and all other associated requirements related to this grant. DEO representatives met with the contractor in person on November 16 and December 14, 2009 to review project priorities. Contractor and DEO met with the Delaware Emergency Management officials on December 15 to coordinate activities and contractor met with the Public Service Commission on December 16 to prioritize activities. Contractor actively worked on the new Energy Assurance Plan during this reporting period.

AWARD_DESCRIPTION		
<p>The Delaware Department of Technology and Information (DTI) was designated by Govenor Markell as the Delaware entity eligible to receive a federal grant under the National Telecommunications and Information Administration's (NITA) State Broadband Data and Development Grant Program. DTI applied for \$1,069,922 to cover broadband mapping activities for the first 2 years, as well as \$472,811 for broadband planning purposes. DTI will oversee the broadband mapping data collection and verification, including public anchor institution information, and the development of an interactive state broadband inventory mapping system. The resulting data will be presented to NITA per their specifications and also made available to the public from a user friendly website. DTI will leverage exsisting IT infrastructure, and will partner with the University of Delaware's Information for Public Administration (UD-IPA) to achieve the overall NTIA goals. The longer term broadband planning activities will be carried out by DTI in partnership with UD-IPA. Relationships will be built with Technology Planning Teams comprised of representatives from local governments, small businesses, and agricultural communities. These teams will be formed in parallel with mapping activities and will continue for the full 5 years of the program. They will idnentify (1) broadband best practicies for their community; (2) issues affecting the deployment and full use of broadband; and (3) potential projects to</p>		
PROJECT_DESCRIPTION		
<p>DTI signed the approved grant on December 16,2009. Internal resources for the the project have been assigned. Initial meetings have been conducted within DTI and the Delaware Office of Management and Budget to review reporting requirements. DTI is currently working on finalizing the Statement of Work with vendor to begin data collection.</p>

FY 2009 DE DNREC ARRA WQMP Grant		
CFDA_NUMBER	AWARD_DATE	AWARD_AMOUNT
66.454	7/29/2009 0:00	194300
AWARD_DESCRIPTION		
<p>This grant funds 3 important water quality management planning projects.</p> <p>CREATING A TRAINING BLUEPRINT</p> <p>FOR GREEN JOBS IN DELAWARE addresses water quality and TMDL issues by including options and requirements for sustainable landscaping practices, low impact development including the use of rain gardens, rain barrels, cisterns, pervious pavement, green roofs, and other green technologies. Conservation, restoration and/or enhancement of wetlands and forested areas, including riparian buffers, are highly encouraged and rewarded as well. Finally, implementation of Pollution Control Strategy recommendations, which address and implement TMDL requirements, have also been included within the criteria for Super Green Certification.</p> <p>A major barrier to building green projects is the lack of trained and qualified laborers available to properly install green infrastructure and energy efficient practices. Builders and contractors may lack knowledge of conservation practices, available green technologies, and skills to install green technologies. Local government and decision makers such as planning and zoning commissions, also lack knowledge of the benefits and need for environmentally sustainable and energy efficient practices, lack resources to review and approve projects with</p>		
PROJECT_DESCRIPTION		
<p>A Memorandum of Understanding was signed by DNREC and the City of Dover on October 26, 2009, and Purchase Order Number 400807080991 was issued in the amount of \$77,720 on October 27, 2009. DNREC and City staff are working together to advertise the St. Jones Watershed Coordinator position and will be setting up interviews in January, 2010. A contract was negotiated between DNREC and Delaware Technical and Community College to develop a blueprint for green jobs training in Delaware. Once the contract is signed by the College, the contract and a purchase order will go through DNREC's procedures and be signed by the Secretary. The contract and purchase order will be fully executed by the end of January, 2010. As reported last quarter, a Memorandum of Agreement between DNREC and the Sussex Conservation District and Purchase Order Number 4008070800969 have</p>
